

AMERICAN DRIVING SOCIETY
Recommendation for Withdrawal from Competition

On (date) _____, at (time) _____ a.m./p.m.,
I examined a (color) _____, (breed) _____,
(sex) _____, (name) _____,
(entry number) _____, and found the pulse to be _____,
respirations _____, and temperature _____. After a 10 minute rest the
pulse was _____, respirations _____, and temperature
_____.

Other significant clinical observations and/or injuries consisted of:

In my best clinical judgement, I recommend that this entry not continue this phase of the competition,
as to do so would be detrimental to the health of the animal(s).
